

Dear Mr Gould,

"It is with sincere appreciation that I write you this letter of thanks for the outstanding support that you have given Beverly High School during the school year. Your ability to work with the various groups, teams and activities in their fund-raising ventures has allowed these organizations to meet their financial goals and even flourish during these stressful times. You have always responded to the needs of the Beverly High School community while developing lasting positive relationships with students and staff members.

Your willingness to establish a cooperative and giving partnership with Beverly High School is a tremendous reflection on you as a local business owner, a community representative, and an advocate of education."

Thank You,
Beverly High School

Dear Tom,

"The ice cream social at Brookfield Financial was a great success! Thank you very much for providing not only the best ice cream on the North Shore to my client, but the perfect sundae toppings and tremendous service!

I will definately spread the word to my associates and look forward to organizing similar events in the future."

Sincerely,
Spaulding & Slye Colliers Int.

"SCOOPS"

fundraiser program
(discounted pricing available)

At Treadwell's, we are very passionate about our fundraisers. Our "Scoops" program is designed to work with schools, youth groups, churches and communities. "Scoops" is geared towards helping these groups and organizations raise funds for youth, elderly and civic needs. IT WORKS...you bring your friends and we bring the ice cream! Together, we will help you put on a successful event, because who doesn't LOVE ice cream!

Call for more details or visit our website.
